

The Women's Fellowship made apple butter on Saturday, October 8, 2022. We started at 6:30 AM. The day dawned cool and sunny with a temperature of 48 degrees. However, the clouds and wind moved in during the day. There were 22 helpers throughout the day. ***We are so thankful for everyone's help*** as we started with 54 gallons of applesauce and ended with 32 gallons of apple butter. All of the apple butter is now at the church, and it sells for \$7 for a quart and \$4 for a pint. We still have some "no added" sugar available for the same prices. – Jean Hipkins
